EXPERIENCE

Agoda

February 2022 – November 2024

Bangkok, TH

Finance Operations Assistant Manager (2024), Supervisor (2023 – 2024), Senior Analyst (2022 – 2023)

- Performed analysis and reconciliation of Agoda's supply-side financial data to ensure data integrity, data quality, and accurate financial reporting
- Led initiatives to design and automate operational processes, IT systems, and reporting tools to reduce time spent on manual processes, address operational gaps, mitigate financial risks, and enhance efficiency and scalability
- Managed an individual contributor responsible for supplier cost reconciliation, driving process improvements and assessing financial impacts to improve financial accuracy, enhance data flow, and streamline financial operations

A Free Bird Organization

September 2020 – November 2020

New York, NY

Financial Accounting Intern

- Valued company's inventories and in-kind donations for financial reporting at Fair Market Value, recorded all revenue and expense transactions, and performed bank reconciliations
- Assisted in implementing internal controls on recording process and restructuring the billing department's documentation system to improve functional efficiency

SZ Global Corporation, Jetzy

May 2019 – August 2019

New York, NY

Accounting Intern

- Managed company's bank accounts, performed bank reconciliations, recorded company revenue and expenses on Wave accounting system and prepared financial statements and financial reporting deck for investors
- Fixed company's entire historical expense records by recategorizing 2900+ transactions over the last 5 years on Wave and restructuring the company's chart of accounts

PROJECTS

Daily News Aggregator

- Created a tool that collects and consolidates news headlines from multiple sources (e.g. TechCrunch, Forbes) through web scraping and API integration into a daily email that is auto-sent to users
- Github: <https://github.com/nickyw19/news-consolidator.git>

Coding Portfolio

- Designed and developed a portfolio website through a combination of HTML, CSS, and Python to display my professional experience, the skills I've acquired and the projects I've built
- Github: <https://github.com/nickyw19/coding-portfolio.git>

LEADERSHIP AND ACTIVITIES

Agoda Rise Program

April 2024 - June 2024

Bangkok, TH

Leadership Program Participant

- Participated in a professional development program focused on strengthening leadership presence, stakeholder management, and advocacy skills
- Developed persuasion, presentation, and communication skills to effectively advocate for ideas, communicate with stakeholders, and compete for resources in a competitive workplace environment

KPMG Virtual Experience Program

July 2022

New York, NY

Data Analytics Consulting Virtual Participant

- Analyzed Sprocket Central's customer datasets and transactions to optimize its marketing and growth strategies
- Identified data quality issues, examined data distributions, and created a data summary to report analysis and make recommendations

New York University Thai Student Association

September 2018 – May 2020

New York, NY

President (2019-2020), Treasurer (2018-2019)

- Organized events promoting Thai culture to 200+ students, communicated with Kimmel Center on event spacing and reimbursements, and supported collaborations with the Singaporean, Malaysian, and Vietnamese Student Associations
- Managed the club's e-board through directing logistics, delegating responsibilities, and implementing new initiatives like outside excursions and club merchandise
